

## Speaking Style

As you consider having Jon come to your church, perhaps you would like to hear a sample of his speaking style. Below are two links to church websites that have streamed a message he gave there.

Jon has a style that is very encouraging. He tries to motivate rather than make people feel guilty about their lack of prayer. He is open about his own struggles in prayer. The result is content that will motivate the average person in the pew.

Hear him speak:

Shandon Road Baptist

Christ Community Church

You can also purchase cds of some of his seminars.

Two Sparks to Ignite Your Prayer Life (CD) \$8.00

This seminar explores both why we pray and discusses the importance of finding and developing your own prayer style.
