

Pray The Word

Welcome to Pray the Word

While we believe in all kinds of prayer, we believe the most powerful and effective way to pray is to pray God's Word back to him. The information that you will find on these pages, all helps to encourage, equip, and challenge believers to regularly pray God's Word. Here you will find discipleship tools, prayer guides, resources and ideas to take you deeper into the heart of God by praying the Scriptures.
