is the primary website of the Church Prayer Leaders Network. Here you will find both *Prayer Connect* magazine, plus articles, ideas and videos that focus on growing prayer in the local church.

Some of the sections are open to every browser, but to view most of the content of this site (more than 700 pages), you will need to purchase a membership (we have three different levels).

Sections to Explore:

Prayer Connect magazine is a quarterly publication on prayer (Silver, Gold, and Platinum Membership levels allow you to view all the content, no membership allows you to see 1 or 2 articles each issue). This site hosts all the back issues and the current issue of this publication (currently more than 500 articles and 37 issues). A Silver membership gives you digital

access to all issues, a Gold membership gives that access plus a printed version is mailed to you, a CPLN membership provides all access, plus more.

Prayer Leader Central (Platinum level allows access) includes more than 100 ideas and articles, organized in 10 topical categories, all of which relate to growing prayer in the local church.
